THE JOURNEY BEHIND THE DREAM

A dedicated team of Sealy engineers and designers are continually innovating to achieve the highest standard of sleep. Bringing together leading support system technologies with stunning fabrics and on-trend designs to deliver a product that aims to provide not only a restful sleep by night, but an elegant furniture piece by day.

Sealy Posturepedic® Exquisite™ features the unique ReST® coil - Responsive Support Technology - designed to cradle every part of the body and provide deep down support.

Drawing on both traditional and contemporary design inspirations from all corners of the globe, Sealy Posturepedic® Exquisite™ is pure elegance.

ONE OF LIFE'S LUXURIES

All components of a Sealy Posturepedic® Exquisite™ are designed to work in combination to provide luxurious comfort, enhanced support, and long-lasting performance.

THINK OF IT AS A SLEEP SPA

In the same way your body responds to a soothing health spa, Sealy Posturepedic® Exquisite™ is designed to assist your body to completely relax and recover like no other bed. A good night's sleep is essential to a healthy body and optimal performance.

By using the finest materials, Exquisite™ by Sealy Posturepedic® helps you to escape to the luxury of deep sleep every night.

	<p>Sealy's Responsive Support Technology uniquely provides three stages of support.</p> <p>It is made with Titanium alloy for extra strength and long-lasting performance.</p>	 <ul style="list-style-type: none"> • 1st Stage The micro-conforming SynerFlex surface cradles every part of the body • 2nd Stage The SRx® Innercore senses the body's weight and responds with initial conforming support • 3rd Stage Provides an extra deep-down support the body needs <p>RESPONSIVE SUPPORT TECHNOLOGY (ReST®)</p>
<p>Luxurious comfort materials provide an initial conforming feel. The ComfortCore® Plus smoothly transitions into the ReST® support system to promote better conformance.</p> <p>The sleep system is completed by the PermaGrid® Foundation with Titanium alloy modules for strength and durability.</p>		
 <p>COMFORTCORE® PLUS</p>	<p>At the centre third of the mattress, every model in the Exquisite™ collection features a layer of gel-infused visco elastic, which provides a superior level of conformance and alignment to the lower back, where you need it most.</p>

COMFORTCORE® PLUS

DESIGN IS MORE THAN LOOKS ALONE

Sealy Posturepedic® Exquisite™ represents the harmony of stunning aesthetics paired with outstanding performance. Considered design has resulted in a sleep set that is both innovative and superbly functional as well as a beautiful decorator piece for your bedroom.

Made with Titanium alloy, steel modules disperse the shocks and stresses placed on the mattress to ensure long-lasting performance and an extended comfort life.

PERMAGRID® FOUNDATION

PERMAGRID® FOUNDATION

A smart textile fabric treatment that responds only when it's needed to disperse heat and moisture so you can sleep more comfortably.

SMARTEX®

The Ice-Touch® Technology does not simply cool you down, it is cool-to-touch and provides an instant cooling effect on the skin. You will fall asleep more quickly, enjoying a qualitative night's rest.

ICE-TOUCH®

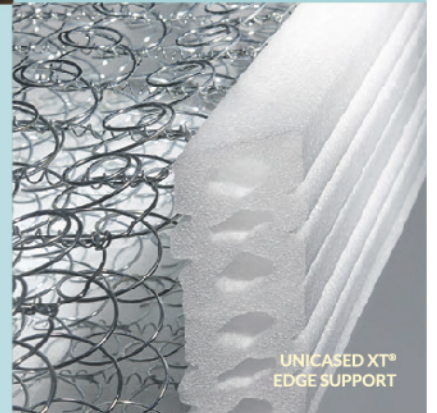

LIFTRIGHT® WRAP HANDLES & STAYTIGHT®

LIFTRIGHT® WRAP HANDLES

Intelligently designed handles are placed to make moving your mattress easier.

Designed to make life a little easier, the rubberised foundation cover grips fabric to help keep sheets in place.

STAYTIGHT®

UNICASED XT® EDGE SUPPORT

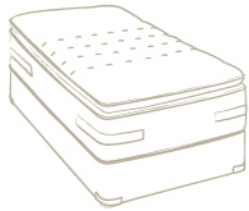

Sealy's most innovative edge support system, encases and locks into the spring system for exceptional edge-to-edge stability, designed to provide undisturbed sleep.
